TEMSAN IN BRIEF

- TEMSAN was established in 1972.
- TEMSAN can make the basic degin, engineering, supply, manufacturing, transportation and installation of any kind of steel structure listed in other slide.
- TEMSAN's yearly manufacturing capacity is 60.000 tonnes of steel structure
- TEMSAN's facility has a total 100.000 m^2. 40.000 m^2 is closed, 60.000 m^2 is open area.
- TEMSAN is employing approximately 25 women and 975 men, totally 1000 workers, including 42 engineers, 40 technicians, 99 certified welders, 30 painters, 540 fitters,helpers and others, and nearly 500 installation staff
- Our production capacity is 5000 tonnes/month
- Since the establisment of the company, TEMSAN has manufactured more than 1.000.000 tonnes of steel structure

TEMSAN IN BRIEF

Current Fields of Activity :

- **Industrial facilities, factory buildings, car parks, aircraft shelters, multi-purpose warehouses and hangars,**
- **Multi-storey steel buildings,**
- **Architectural steel structure applications,**
- **Fuel storage tanks with fixed or floating ceilings of various capacities (1 m3 to 100,000 m3) conforming API 650 and BS 2654 standards,**
- **Chemical treatment and process tanks,**
- **Over-head cranes, harbor cranes, portal cranes and conveyor systems,**
- **Steel bridges,**
- **Large size sliding and hinged door systems, blast doors (factories, military aircraft shelters, etc.)**
- **Stadium roofs, theme-park roofs, sports arenas and similar structures.**

CERTIFICATE

Conformity of the Factory Production Control

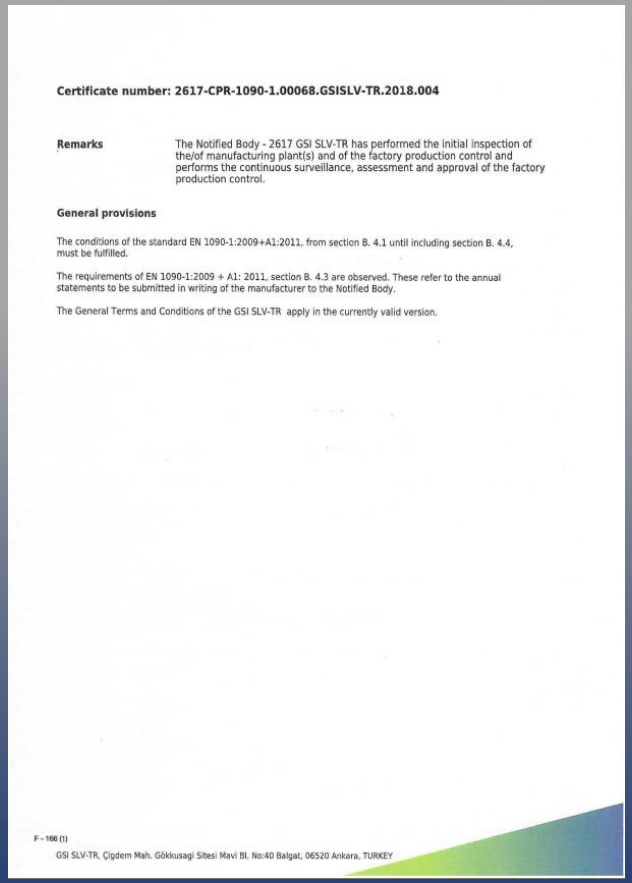

2617-CPR-1090-1.00068.GSISLV-TR.2018.004

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the following construction product:

Construction product	**Structural components and kits for steel structures to EXC4 according to EN 1090-2**
Intended use	for load-bearing structures in all types of buildings
CE - marking method	ZA.3.2 and ZA.3.4 acc. to EN 1090-1:2009+A1:2011
	produced by or for
Manufacturer	**TEMSAN YAPI VE MAKINA ENDÜSTRISI A.S.** **Baskent Organize Sanayi Bölgesi 15. Cad. No:6&13** **06605 Temelli/ANKARA** **TURKEY**
Manufacturing plant Production facility of the manufacturer	-
Confirmation	This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the harmonised standard **EN 1090-1:2009+A1:2011** under system 2+ are applied, and that the factory production control fulfills all the prescribed requirements stated therein.
Date of first issue	18.12.2018
Next Surveillance audit	17.12.2025
Period of validity	This certificate will remain valid as long as the test methods and/or the factory production control requirements included in the harmonised standard used to assess the performance of the declared characteristics do not change, and the product and the manufacturing conditions in the plants are not modified significantly.
Remarks	see reverse
